

CCTV Drain Survey Record

A CCTV drain survey record linking pipe runs, access points, footage, chainage, observed defects, survey limits and recommendations for further review.

1. Record details and scope

Project

Filled in from the project in SiteSurvey.

Site or premises address

Client or organisation

Record date *

Person completing the record *

This records a remotely operated drain survey. It is not confined-space entry authority, a drainage design, automatic structural grading or a guarantee of concealed pipe condition.

WinCan's technical guidance describes recording sewer CCTV inspection data using WRc conventions. Record the applicable coding standard and survey evidence. This template does not supply licensed code tables or assign condition grades automatically.

2. Survey brief

Survey purpose and agreed extent *

Operator and training reference *

Camera and distance-measurement check reference *

Applicable coding standard and edition

Access permissions, safe method and restrictions *

3. Pipe runs

Pipe run (copy this block for each one)

Run ID and upstream/downstream access points *

Diameter, material and apparent use

Survey direction and start reference *

Video file reference *

Surveyed length and unit

Obstruction, water level, visibility and unsurveyed extent *

4. Observations

Observation (copy this block for each one)

Run ID *

Chainage, unit and video time reference *

Code under the stated standard where used

Observed defect and extent *

Referenced still images (photos: attach, or note the file names)

5. Interpretation

Cleaning, further survey or specialist review recommendations

Separate assessed condition report reference where provided

State the coding method and competence behind any grading. Separate the visual observation from the recommendation.

Competent reviewer

6. Actions and review

Are further actions required? * (choose one)

☐ Yes ☐ No

Further action (copy this block for each one; if applicable)

Action and evidence reference *

Person responsible *

Target date

Action status * (choose one)

☐ Open ☐ In progress ☐ Completed

Completion evidence * (if applicable)

Outstanding limitations and information to pass on

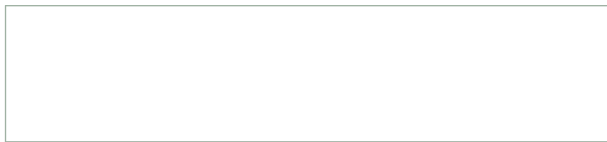

Record status * (choose one)

☐ Ready for review ☐ Further work needed ☐ Work or use stopped
