

Fly-tipping Report

A fly-tipping report for land and estate managers: location, waste types and size, hazards, evidence, photos, council or Environment Agency reports, and clearance by a registered waste carrier with the transfer note.

Exact location *

Tap Mark current location on site so the spot can be found again.

Land (choose one)

☐ Our land ☐ Public land or highway ☐ Other private land

If applicable: Environmental Protection Act 1990, section 33, makes it an offence to deposit controlled waste without a permit. GOV.UK says if someone has illegally dumped waste on your land, you need to deal with it and pay for it to be disposed of properly. Report fly-tipping to the environmental health team at the local council.

Waste * (tick all that apply)

- ☐ Household bags
- ☐ Furniture or bulky items
- ☐ White goods
- ☐ Garden waste
- ☐ Construction or demolition waste
- ☐ Tyres
- ☐ Suspected asbestos
- ☐ Chemicals or drums
- ☐ Needles or clinical waste

Amount (choose one)

- ☐ Single bag
- ☐ Car boot load or less
- ☐ Small van load
- ☐ Transit van load
- ☐ Tipper lorry load
- ☐ More than a tipper load

If applicable: Do not touch suspected asbestos, chemicals, drums, needles or clinical waste. Keep people away and use a specialist contractor. GOV.UK: for large-scale dumping, hazardous waste, or a risk to the environment or human health, call the Environment Agency incident hotline (England).

Is there any evidence of who dumped it (letters, CCTV, witnesses)?

- ☐ Yes ☐ No

Evidence (do not go through the waste yourself) (if applicable)

Photos of the waste and location * (photos: attach, or note the file names)

2. Reports

Reported to the council

Council reference

Environment Agency or police reference

3. Clearance

Cleared by

Waste carrier registration number

Environmental Protection Act 1990, section 34 (duty of care) and its code of practice: check that anyone you give the waste to is authorised to take it, for example on the Environment Agency public register of waste carriers, and keep the waste transfer note for 2 years (3 years for a hazardous waste consignment note).

Waste transfer note reference

Date cleared

Days to clear (if applicable; worked out automatically in the app)

If applicable: The date found is after the date cleared. Check the dates.

Cost to clear (£)

Photos after clearance (photos: attach, or note the file names)
